## PROFESSIONAL EDUCATION QUIZ

### General Notes

The following pages set out a series of mini-quizzes that can be used to jog your memory on the sessions from the conference, but, more importantly, once carried out and filed with your other paperwork, these pages can be used to help cover the professional education requirements of both the RIAA and BDA.

### RAIA

Attendance at the RTC Roadshow 2007 can be counted as a component of your Continuing Professional Education requirement. Each session attended can be counted as 2 hours of Informal OR as 2 hours of Formal CPE.

To count a session as informal, simply record your attendance under the informal category of your CPE records. To count a session as formal, you must fill in the questionnaire supplied for each session (attached), and file your answers and required notes under the formal category of your CPE records.

For further information on how to record your attendance at the RTC Roadshow 2007, please visit the NSW Architect's Registration Board Website at <http://www.architects.nsw.gov.au/> or your appropriate state Architect's Registration Board.
